Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Okay to Film on 11/11/12 from 7am to 12pm with 2 cast and 8 crew.
- If student brings more than 14 cast and crew into park this film permit will be void.
- Students not following guidelines for filming could have their shoot shut down by city officials.
- Students are financially responsible to repair any damages their filming has inflicted on to park property.
- All hand held equipment only.
- Must not interfere with park patrons, activities and park staff.
- Must park all vehicles in Veterans Lot.
- Okay to film tea party scene on grass by recreation center and playground.
- No heavy equipment.
- Students must work around park patron and maintenance activity.
- Not permitted to use generator or lights.

- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.

Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
